PURCHASING POWER

CAMBIA HEALTH SOLUTIONS

How does Purchasing Power compare to other financial options?

Let's review your choices when not using cash.

Purchasing Power	Financial Options
Do you need to save your cash for something else?	Do you have available cash to purchase directly from a retailer?
When you make purchases with your credit card, do you only make the minimum payment?	When you make purchases with your credit card, do you immediately pay off the full balance?
If you applied for store credit, do you think you might be denied?	If you applied for store credit, do you think you would get approved?
If you answered **"YES"** to any of these questions, your better choice might be **Purchasing Power.**	If you answered **"YES"** to any of these questions, you should use **cash**

Why should I use Purchasing Power?

Cash is the best way to make purchases. However, when you need an item now and using cash or credit is challenging, Purchasing Power is here to help. While not a discount program, we make it easy to get your order upfront while you enjoy smaller payments over time without the credit checks and hidden fees that can hold you back.

When making large or urgent purchases, consider all options available to you.
Purchasing Power pricing includes carrying costs, product warranties and 24/7 tech support.

Manageable Payments
Pay over 6 or 12 months with payroll deduction.

100,000+ Brand-Name Products and More
Find the items you need from the brands you love.

Better Choice
A responsible alternative to high-interest credit cards.

Spending Power*
Find out how much you can spend with us with no credit check and no hidden fees.
