

Health assessment benefit

A valuable part of your group hospital indemnity insurance

It pays to prioritize your family's health

As the saying goes, an ounce of prevention is worth a pound of cure. Regular health screenings can detect potential medical conditions early when preventive measures can make a big difference. As part of your hospital indemnity coverage, Lincoln pays you for proactively managing your health and that of your covered family members.

- You and your covered family members receive a benefit payment for completing one covered screening per covered individual each plan year, with no waiting period.
- Submit claims easily at LincolnFinancial.com, or via email, phone, fax, or U.S. mail.
- Your health assessment benefit will be paid within 24 hours of receiving a completed claim form.

Get money back for keeping up with your health screenings

- | | |
|---|---|
| • Accident and fall prevention counseling | • Concussion screening |
| • Angiography | • CT angiography |
| • Annual physical exam | • Dental brush biopsy or other FDA-approved screening for oral cancer |
