

DRIVECLUB MEMBERSHIP

The vehicle ownership benefit employees will actually use

Helping employees save money, reduce vehicle-related stress, and make smarter auto ownership decisions.

DRIVECLUB

ESSENTIALS

The following benefits and features are organized to match the consumer-facing plan shown on driveclub.io. **Plan customization is available.**

Roadside Assistance

Get help when you need it with roadside assistance.

What is it?

DriveClub members get unlimited emergency towing to any destination they select (up to the allowance of \$125 per incident), battery jump-start, flat-tire change, lockout service, fuel delivery, extrication assistance, and more.

Where can I use it?

Virtually anywhere. Just give the roadside service dispatcher your information, and help will be on its way.

Why is it here?

One in three drivers doesn't have roadside assistance, yet 100 million people need it every year. If the need arises, we don't want you to be without it.

How much can I save?

This free benefit would normally cost you about \$125 — and can save you from a truckload of worry, expense, and inconvenience.

Cash Back on Gas

Limit pain at the pump and get monthly cash back on gas with up to 40 cents per gallon.

What is it?

This benefit is a cash rebate program that applies to every gallon of gas purchased. Rebate money is deposited directly into your bank account each month.

Where can I use it?

You can get cash back on gas nationwide at more than 130,000 gas stations, including Shell, Arco, BP, Union 76, Valero, 7-11, and more.

Why is it here?

Gas is a high cost of auto ownership for most of our members.

How much can I save?

On average, US auto owners drive 13,500 miles and use 525 gallons of gas each year. DriveClub members save up to 40 cents per gallon on average, depending on the service station. On average, members save about \$270 per year.

Insurance Discounts

Get access to significant discounts on your auto insurance from more than 120 insurance companies.

What is it?

As part of your DriveClub membership, you will have access to substantial savings on your auto insurance costs.

Where can I use it?

You can get a quote and purchase auto insurance anywhere in the US, regardless of where you live.

Why is it here?

Your auto insurance is the second biggest cost when it comes to keeping your car on the road. DriveClub recognizes this and has partnered with several companies to help lower your cost.

How much can I save?

Your insurance discounts allow you to save up to \$1,400 annually.

Insurance Deductible Benefit

Have your insurance deductible refunded up to \$500 to minimize or eliminate out-of-pocket costs.

What is it?

DriveClub's insurance deductible benefit covers up to \$500 of your auto insurance deductible.

Where can I use it?

You can use it to reimburse your auto policy deductible up to \$500 due to a covered auto loss on an auto policy for a covered vehicle.

Why is it here?

This benefit gives you significant savings in the event you have to pay an auto insurance deductible.

How much can I save?

This benefit can save you up to \$500 or more if you increase your auto insurance deductible to take advantage of this benefit.

Maintenance Discounts

Get online booking and access to discounts from 40,000+ dealers and shops and on thousands of services in your area.

What is it?

This program provides substantial discounts on auto maintenance and repairs.

Where can I use it?

You can use this benefit at more than 40,000 service and repair shops nationwide, including auto dealers, Pep Boys, Goodyear, Meineke, AAMCO, Auto Nation Mobile, Midas, and Take 5. Appointments are set up online, where you can see your discounted price, consider shop reviews, and compare pricing.

Why is it here?

Regular maintenance is essential to ensure reliability and extend the life of your vehicle.

How much can I save?

On average, about 37%. The average maintenance and repair cost is \$1,520 per year. The average member's savings is around \$800 annually.

Parking Discounts

Get 10% or more off select parking at over 40,000 metro, event, and airport parking locations.

What is it?

DriveClub members can reserve heavily discounted metro, event, and airport parking spaces at 40,000+ parking locations nationwide.

Where can I use it?

You can use this benefit at 40,000+ parking locations nationwide. For member pricing and participating locations, download the app in your DriveClub customer portal.

Why is it here?

By offering significant parking discounts, this benefit reduces your cost of auto ownership.

How much can I save?

On average, members save about \$325 on parking.

Driver's Unemployment

Make sure your auto finances are covered in the event of involuntary unemployment.

What is it?

If you become involuntarily unemployed through no fault of yours, you're eligible for a \$5,000 benefit toward a possible shortfall due to your existing lease or finance contract should you choose to return your vehicle.

Where can I use it?

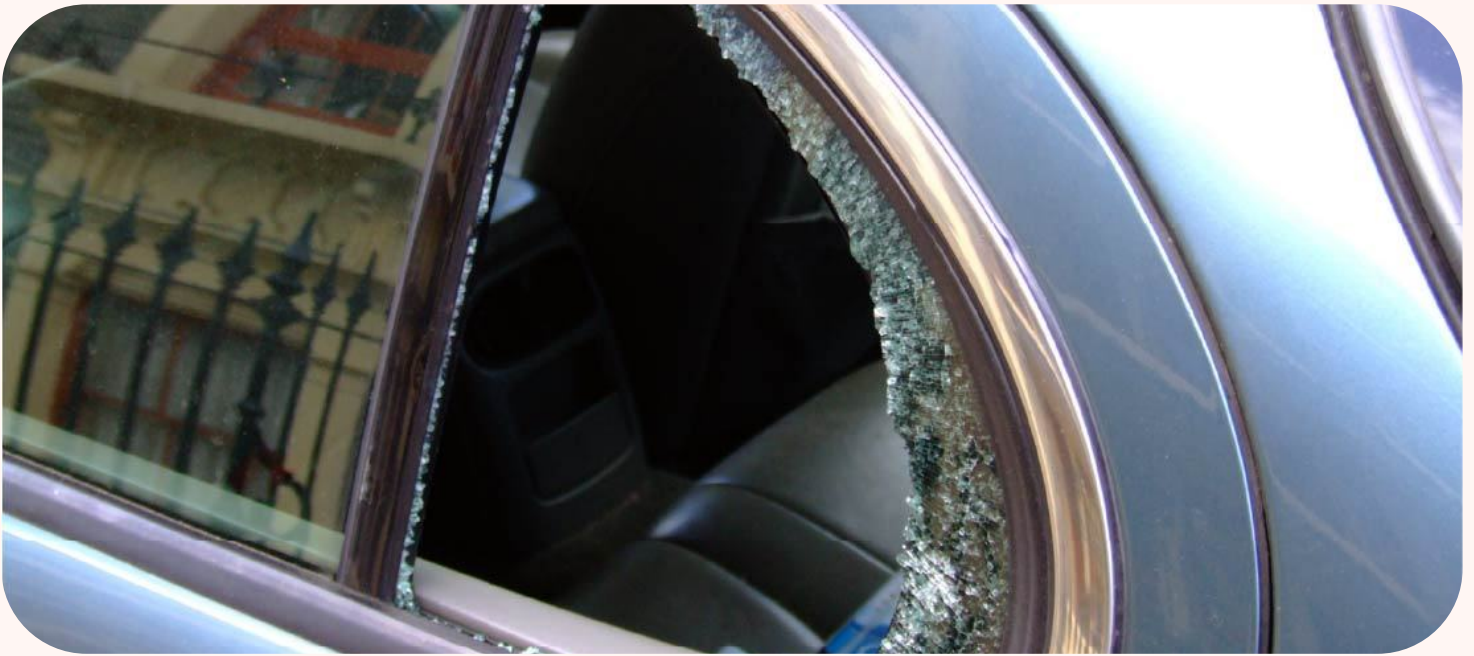

You can use this for any loan or lease. This benefit can be used by contacting member services.

Why is it here?

This benefit offers you peace of mind — knowing that, in the event you need to use the coverage, you can return your vehicle and be free from payments, eliminate your loan, and protect your credit.

How much can I save?

This can save you up to \$5,000 if you need to use the coverage.

Auto Glass Coverage

Get \$100 toward your deductible when getting glass repairs for your vehicle.

What is it?

DriveClub's auto glass coverage covers up to \$100 toward your deductible for windshield or smash-and-grab window repairs on your vehicle.

Where can I use it?

This benefit can be used at a wide range of repair facilities and is accessible through your customer portal.

Why is it here?

If you need auto glass repair, this benefit reduces your cost of owning a car.

How much can I save?

This benefit can save you up to \$100 of your deductible for applicable repairs.

Emergency Travel Coverage

Just-in-case benefits in the event of being away from home when an accident occurs.

What is it?

You can receive reimbursement for emergency expenses if your covered vehicle is disabled due to an accident 100 miles or more from your primary residence listed with us, as a result of a collision with another vehicle or object.

Where can I use it?

Your benefit can be used anywhere outside of 100 miles from your home when your vehicle is disabled. Coverage will include lodging, meals, and alternative transportation that are not planned or normal expenses for the member's trip.

Why is it here?

As DriveClub members, we want to minimize out-of-pocket expenses when accidents occur away from home.

How much can I save?

DriveClub members can be reimbursed up to \$1,000.

Emergency Ride Coverage

Your DriveClub membership covers a ride when your vehicle is disabled.

What is it?

If your automobile is disabled and you need emergency transportation (a taxicab, rideshare, a rental car, a shuttle, or other commercial transportation) to an immediate destination.

Where can I use it?

It can be used in all 50 states if your vehicle is disabled and you need ride coverage to reach an immediate destination.

Why is it here?

Accidents or vehicle breakdowns can be stressful, especially when you are stranded at the scene. DriveClub wants to ensure you arrive at a safe destination and that your ride costs are covered or minimized.

How much can I save?

You will be reimbursed up to \$75.

Ambulance Coverage

Get full or partial reimbursement of ambulance costs.

What is it?

If you or a family member is injured following an accident and needs an ambulance, your benefit will reimburse you for part of the expense.

Where can I use it?

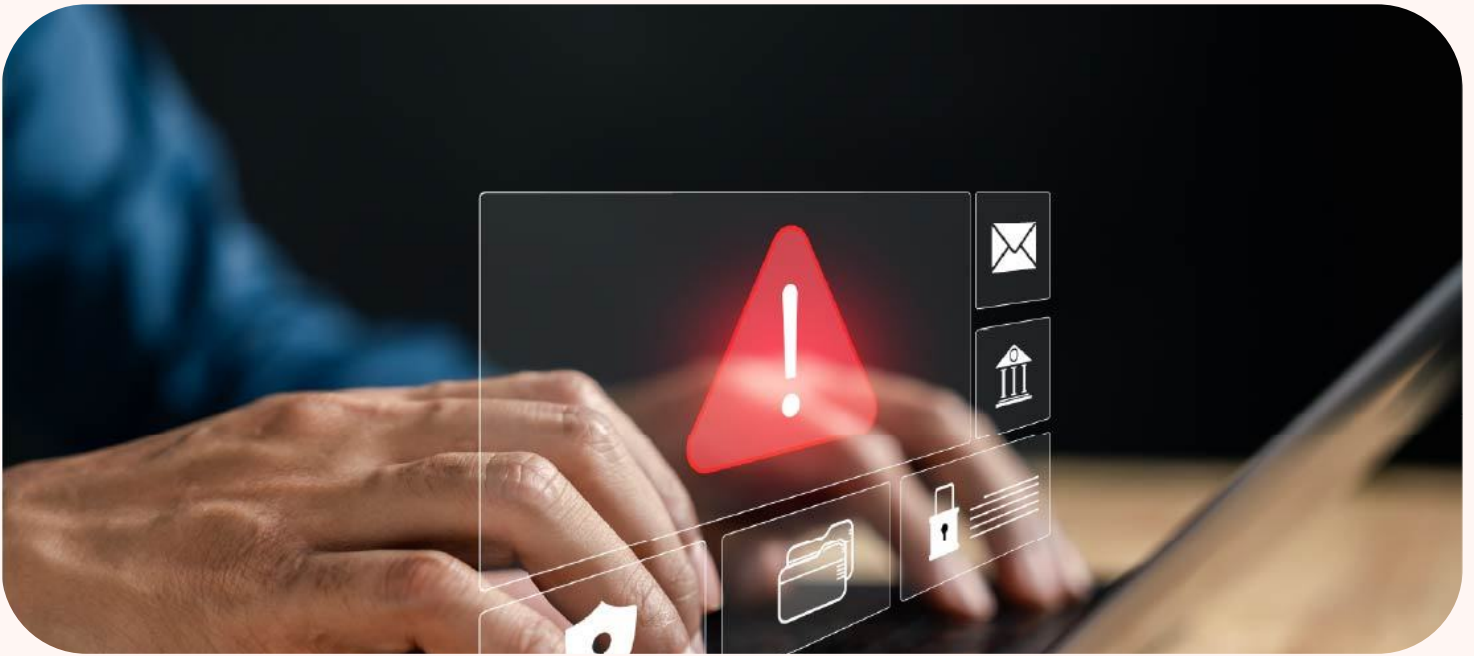

This service is available in most states. It is not available to residents of FL, MA, TX, UT, or VA.

Why is it here?

The costs associated with an auto accident can be substantial. As a DriveClub member, we want to minimize these costs by offering a reimbursement for part or all of the cost of using an ambulance.

How much can I save?

Your benefit will reimburse you up to \$100 if you or a family member needs to use an ambulance.

Identity Theft Coverage

Safeguard personal information from being stolen and misused.

What is it?

Provides you access to monitor your Social Security Number, up to ten credit and debit cards, and up to ten bank accounts in underground chat rooms, websites, and blogs where identity thieves trade and sell stolen data.

Where can I use it?

You will also have access to a resolution service that provides personalized assistance in the event you become a victim of identity fraud. You'll have a dedicated caseworker who will work with you to help restore your identity.

Why is it here?

This benefit helps mitigate the risks and consequences of identity theft. While it can't prevent identity theft entirely, it can alert you to suspicious activity early on and provide support in restoring your identity if it's compromised.

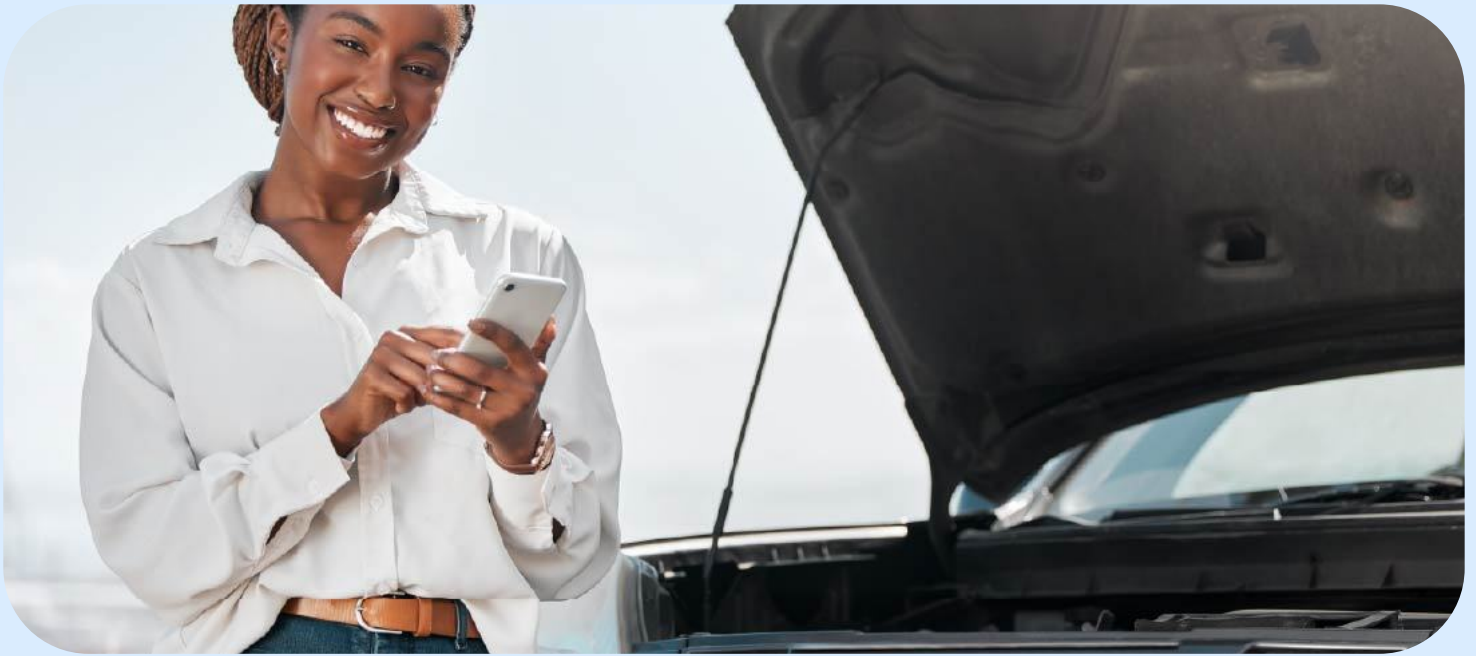

How much can I save?

Identity theft coverage can save you time, stress, and potentially significant financial losses associated with identity theft. The cost savings can be substantial considering the expenses of recovering from identity theft.

DRIVECLUB

ADVANTAGE

The following benefits and features are organized to match the consumer-facing plan shown on driveclub.io. **Plan customization is available.**

Roadside Assistance Plus

Get help when you need it with full roadside assistance, both in- and out-of-network, for faster service.

What is it?

DriveClub members get emergency towing to any destination they select (up to the allowance of \$125 per incident), battery jump-start, flat-tire change, lockout service, fuel delivery, extrication assistance, and more.

Where can I use it?

Virtually anywhere. Just give the roadside service dispatcher your information, and help will be on its way. Your roadside assistance plus feature lets you access both in-network and out-of-network assistance.

Why is it here?

One in three drivers doesn't have roadside assistance, yet 100 million people need it every year. If the need arises, we don't want you to be without it.

How much can I save?

This free benefit would normally cost you about \$175 — and can save you from a truckload of worry, expense, and inconvenience.

Monthly Car Washes

Take advantage of monthly car washes to keep paint looking good and keep rust at bay.

What is it?

Each month, your DriveClub free car wash benefit provides a \$10 car wash credit (the average car wash is \$8). Just enter your code or provide it to the attendant, and your car wash is free up to \$10.

Where can I use it?

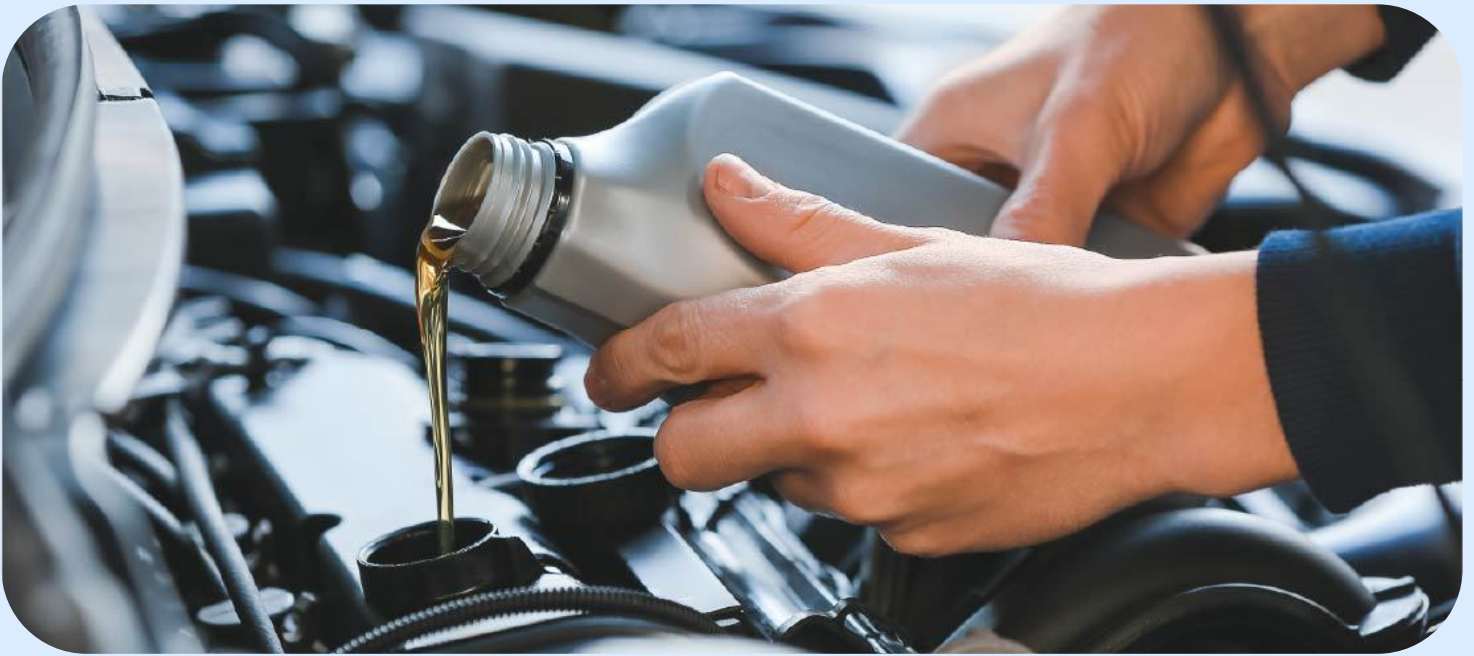

You can use this benefit at more than 50,000 of the 62,000 car washes nationwide, including Quick Quack, Tidal Wave, Whitewater Express, Take 5, and many gas station car washes.

Why is it here?

Keeping your car or truck clean enhances your driving experience and extends your vehicle's lifespan.

How much can I save?

This benefit can save you up to \$120 per year.

Annual Oil Changes

Keep your engine running smoothly with a complimentary oil change every year.

What is it?

This is a free annual oil change program that includes synthetic oil, if appropriate for your vehicle. Just schedule your service appointment online and take your vehicle to your chosen shop. The cost up to \$100 is on us.

Where can I use it?

This benefit is available at more than 40,000 service and repair shops across the US, including PepBoys, Goodyear, Meineke, AAMCO, Auto Nation Mobile, Midas, and Take 5.

Why is it here?

Maintaining your vehicle is vital to saving on auto ownership — and the average owner needs to change their oil once a year. DriveClub covers that cost and makes arranging the service a snap.

How much can I save?

You can save as much as \$100 per year.

Repair Advocate Hotline

Get expert advice when you need repairs for your vehicle.

What is it?

The Repair Advocate Hotline is a toll-free number that allows you to get expert opinions to assist with the repair of your vehicle, including:

- Access to ASE Certified Master Technicians to obtain a second opinion regarding the appropriateness of proposed repairs
- Cost estimates for proposed repairs on automobiles or light trucks from an ASE Certified Master Technician

Where can I use it?

Your hotline is available nationwide in all 50 states.

Why is it here?

Having a breakdown or needing repairs can be stressful, especially if you are unsure what is happening or how much it will cost you. The Repair Advocate Hotline can help guide you through the process.

How much can I save?

Our network of repair shops can save you, on average, 37% or more on repairs. Understanding what needs to be repaired and where to go can save you time and money.

Hotel Travel & Auto Rental Discounts

Receive discounts for hotel, travel, and car rentals.

What is it?

DriveClub members can receive significant discounts on hotels, travel, and car rentals by contacting the toll-free number.

Where can I use it?

Call the toll-free number for the hotel of your choice and provide the discount number to receive the discount. Drive a better bargain with discounts on car rentals. This benefit is available to you and covered family members. Once you enroll, you will receive a membership card in the mail that you can present to any major car rental agency.

Why is it here?

Hotel and car rental discounts offer significant cost savings and potential added benefits for DriveClub members. Discounts can lead to lower overall travel expenses, allowing for more budget-friendly trips or the opportunity to spend more on other aspects of the trip. They also often come with perks like free upgrades, priority service, or bonus reward points.

How much can I save?

Discounts on hotels and car rentals will vary by hotel and car rental agency.

Auto Theft Reward Program

Motivate the public with a \$5,000 reward for information that leads to an arrest.

What is it?

DriveClub's auto theft benefit pays a \$5,000 reward for information provided to a law enforcement agency that leads to the arrest and conviction of anyone who steals your covered vehicle.

Where can I use it?

For payment consideration, members file a claim and supporting information. Members, family, and law enforcement personnel are ineligible for this reward. Not available to residents of Tennessee or Utah.

Why is it here?

This program can help you address the financial and emotional consequences of having your vehicle stolen.

How much can I save?

This free benefit, which would normally cost about \$250, can help you recover your vehicle, settle claims related to its theft, and save you the expense and effort of offering a reward yourself.

DRIVECLUB

ELITE

The following benefits and features are organized to match the consumer-facing plan shown on driveclub.io. **Plan customization is available.**

Oil Changes Plus

Keep your car running smoothly with 3 complimentary oil changes per year.

What is it?

This free oil change program also covers any oil type. Just take your vehicle to your chosen provider. The cost — up to \$55 per oil change — is on us.

Where can I use it?

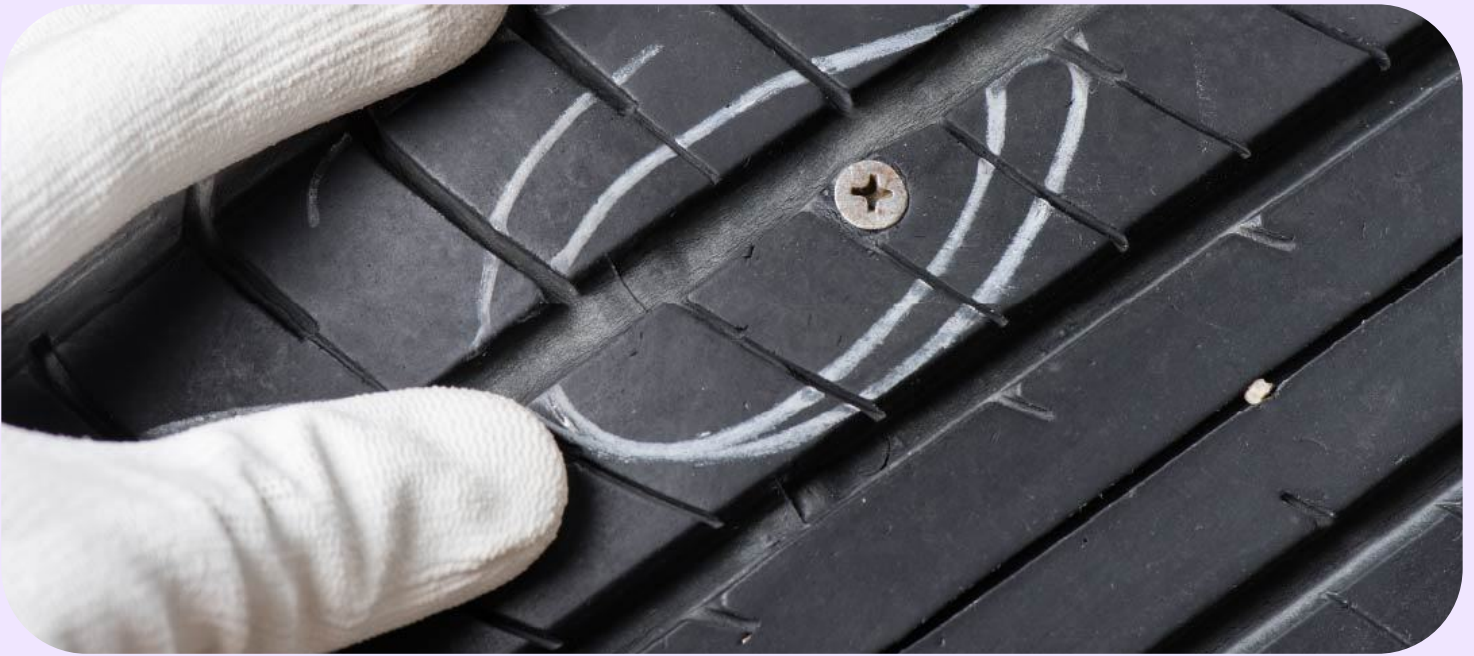

This benefit is redeemable immediately upon becoming a DriveClub Elite member with no waiting period and can be used anywhere.

Why is it here?

Maintaining your vehicle is essential to saving on auto ownership — and the average owner needs to change their oil at least once a year. DriveClub covers that cost and more, making it a snap to arrange the service.

How much can I save?

You can save as much as \$165 per year.

Tire Hazard Protection

Get coverage for when road debris damages your tires.

What is it?

If your tires are damaged by a road hazard, you can receive up to \$65 per tire per occurrence.

Where can I use it?

You can get reimbursed up to \$65 per tire for damage caused by road debris.

Why is it here?

This benefit puts money back in your pocket when unexpected debris damages your tires.

How much can I save?

This benefit can save you \$65 per tire, per occurrence.

Key / Fob Replacement

Make sure your car key or fob is covered.

What is it?

We will cover the cost of repairing or replacing your key/fob and, if applicable, the associated programming.

Where can I use it?

This benefit is available if your key or fob is damaged or inoperable due to a defect in materials or workmanship, or to normal wear and tear. Eligible key/fob means one key/fob (including fob and/or remote) provided to the contract holder at the time of the vehicle's original delivery.

Why is it here?

Working car keys and fobs are critical to keeping your car operating and can be surprisingly costly to replace when damaged.

How much can I save?

The cost of replacing the most basic key fob can range from \$50 to over \$1,000, depending on the automaker and the complexity of the design.

Windshield Repair

Get minor repairs covered when your front windshield is damaged.

What is it?

This benefit covers the cost of repairs to the front windshield for minor chips and cracks caused by small debris, and will be repaired under industry standards, limited to no more than 2 inches in length or diameter.

Where can I use it?

Windshield repair can be used by all members, excluding AR residents, using a shop within the approved network.

Why is it here?

Windshields are an often-delayed repair. We want to give you peace of mind knowing the cost is covered and make sure the damage doesn't grow in size or cost — on top of safety and visibility factors.

How much can I save?

The average cost of a windshield chip repair is between \$60 and \$100+. If left to spread into a fully cracked windshield, a full replacement can cost between \$500 and \$2,000, depending on the vehicle.

Paintless Dent Repair

Remove door dings and minor dents.

What is it?

Paintless dent repair (PDR), a process developed by automobile manufacturing teams, uses specialized hand tools to gently push the dented metal back into its original shape. This permanently removes door dings and minor dents without harming a vehicle's factory finish.

Where can I use it?

Repairable areas are defined as and limited to exterior vertical body panels repairable within the limits of Paintless Dent Repair (PDR), inspected and approved by an authorized PDR technician.

Why is it here?

Keep your car looking great with a cost-effective, time-saving alternative to traditional dent repair that preserves the vehicle's original paint and may even increase its resale value.

How much can I save?

Paintless Dent Repair (PDR) can typically save you between \$75 and \$450+ per dent, depending on its size, location, and severity.

Battery Replacement

\$100 credit toward battery replacement.

What is it?

\$100.00 credit toward the replacement of a failed battery (maximum of one (1) per 12-month membership period).

Where can I use it?

This benefit is available to all members, except residents of AR and MA.

Why is it here?

DriveClub members can rest easy knowing that most or all of the cost of a battery replacement will be reimbursed up to \$100.

How much can I save?

DriveClub members save up to \$100 toward the replacement cost of your battery.

Wiper Blade Replacement

Up to \$30 credit towards the replacement of wiper blades.

What is it?

DriveClub members get up to \$30.00 credit towards the replacement of wiper blades. (maximum of one (1) use per 12-month membership period).

Where can I use it?

This benefit is available to all members, except residents of AR and MA.

Why is it here?

Wiper blades should be replaced regularly to ensure clear visibility and safe driving, especially in inclement weather. They should be replaced every 6-12 months or when you notice signs of wear and tear, such as streaking, chattering, or squeaking.

How much can I save?

DriveClub members save up to \$30 annually.

Brake Pad Coverage

Get up to \$130 toward brake pad replacement.

What is it?

Get up to \$130.00 on most vehicles toward the replacement of brake pads/shoes (maximum of one (1) use per 12-month membership period).

Where can I use it?

This service is available to all members, except residents of AR and MA.

Why is it here?

Brake pads need to be replaced because they are a wear item in the braking system. They are designed to wear down over time as they create friction to slow the vehicle, and once they wear thin, they can cause damage to other brake components and reduce braking effectiveness.

How much can I save?

Depending on your vehicle's make, DriveClub members can save up to \$130 annually on brake pad replacement.

Cooling System Maintenance

Get up to a \$40 credit toward cooling system maintenance.

What is it?

Get a \$40.00 credit toward a drain/refill, pressure check, hose inspection, belts, clamps, & lube chassis. (maximum of one (1) use per 12-month membership period).

Where can I use it?

This benefit is available to all members, except residents of AR and MA.

Why is it here?

Annual cooling system maintenance is crucial for maximizing energy efficiency, preventing costly breakdowns, and ensuring optimal performance and longevity of your HVAC system.

How much can I save?

DriveClub members save up to \$40 annually on cooling system maintenance.

Car Rent

30-Day Car Rental

Get up to 30-day reimbursement for your car rental.

What is it?

You will be reimbursed for automobile rental expenses incurred if repair work is necessitated by reason of an accident with another vehicle which occurred while this Membership is in effect. Reimbursement for Auto Rental shall be for an amount of up to thirty-five dollars (\$35) per day for up to thirty (30) days during each membership year.

Where can I use it?

This benefit is available to DriveClub members in all 50 states.

Why is it here?

Your membership helps lower out-of-pocket expenses and covers the cost of a rental car or other transportation while your vehicle is being repaired or replaced due to a covered claim.

How much can I save?

DriveClub members can save up to \$1050 on car rental expenses annually.

DRIVECLUB

RIDE ReportTM

Repair, Insights, Drivability, & Evaluation

RIDE SCORE™

Your overall vehicle score — estimated.

ANNUAL OWNERSHIP COST

\$13,738 – \$15,484

Or \$264 – \$298 / week

VEHICLE VALUE

\$51,955 – \$72,765

Est. from comparable vehicles

RIDE Report™

An "Ownership Intelligence Report" that is included in all DriveClub plans.

What is it?

The RIDE REPORT provides members with actionable information on vehicle health, repair risks, ownership costs, customer complaints, trouble spots (or “watch” areas), recalls, maintenance guidance, and overall ownership status.

Why is it here?

The objective is to proactively deliver highly personalized vehicle ownership intelligence and targeted savings information to DriveClub members on an ongoing basis.

How much can I save?

The market value for the report is \$44.99 per report. We give a complimentary monthly report to active members for an annual value of \$539. The real savings come from being informed about how to lower the overall costs of ownership — which are measured in the thousands of dollars annually for a typical member.
